SPONSORSHIP CATEGORIES AND PARTICIPATION BENEFITS

Here comes an opportunity for your organisation to publicly demonstrate its support for the administration of His Excellency, President Bola Ahmed Tinubu, GCFR, and the Renewed Hope Agenda through strategic participation in a nationally endorsed initiative focused on investment promotion, tourism development, and sub-national economic transformation.

This high-level national platform also provides participating organisations with the opportunity to showcase their contributions to achieving the United Nations Sustainable Development Goals (SDGs), while strengthening their corporate visibility and national development footprint.

Beyond sponsorship recognition, the programme offers rare access to strategic networking engagements with senior decision-makers at the Presidency, State Governors, members of the Federal Executive Council, diplomatic missions, development partners, and leading private sector stakeholders participating in the Sub-National Investment Roundtable and the official launch ceremony.

The initiative enjoys the strategic collaboration of the Nigerian Press Council, the Federal Ministry of Information and National Orientation, the Federal Ministry of Art, Culture, Tourism and the Creative Economy, and the Nigeria Governors' Forum, further positioning the event as one of the most significant public-private investment and tourism engagements in Nigeria.

Beyond sponsorship visibility, the programme offers rare access to strategic networking engagements with senior decision-makers at the Presidency, State Governors, members of the Federal Executive Council, heads of government agencies, diplomatic missions, development institutions, and key private-sector stakeholders participating in the Sub-National Investment Roundtable and the official launch ceremony.

The initiative also supports key United Nations Sustainable Development Goals (SDGs), including:

- SDG 8 – Decent Work and Economic Growth
- SDG 9 – Industry, Innovation and Infrastructure
- SDG 11 – Sustainable Cities and Communities
- SDG 17 – Partnerships for the Goals

The event will bring together:
